

## THE SCHOOL BOARD OF SARASOTA COUNTY, FLORIDA

LAUREL NOKOMIS SCHOOL

1900 East Laurel Road

Nokomis, Florida 34275

Dear Laurel Nokomis School Supporters:

As we enter another school year we are very thankful for the continued commitment and support from our community. Business partners are individuals, families, organizations, and businesses in our community like you. We hope that you will consider becoming a LNS Business or Family Sponsor for the 2022-2023 School Year.

We plan to highlight our partners on the LNS PTO website and on our Facebook page. We will continue to utilize our one stop fundraising apparatus at the school to make it easier for sponsors to identify a variety of the donation needs around the school. We will continue to use the metal sponsorship signs, rotate sponsors on the marquee and share information with sponsors so that they will know about the exciting things happening at the school. In addition, we continue to look for opportunities to expose our almost 1,600 LNS staff and students, along with their families to our partner's businesses. We are very excited to be able to return to our usual activities at LNS after several years of Covid restrictions. We will be inviting our Family and Business Partners back to our campus for many of our family events.

LNS remains committed to providing a high quality education tailored to the needs of our students. The focus continues to be on academics, keeping our students focused and accountable for achieving goals, improved grades, excellent attendance, stellar behavior and a general focus on being good community citizens. According to the Niche report, LNS remains in the top 2% of schools for students. Last school year, the support of our business partners helped us to earn another Florida Department of Education "A" school rating again. In addition, we have programs that are focused on middle school career development, recognizing elementary students that are excelling and helping students that are at risk. We have regular classrooms, gifted classrooms and classrooms that are geared towards helping students with Intellectual Disabilities and Autism. Over 44% of the students at the school get free or reduced priced lunch and have some students that are unable to meet their most basic needs. That is why we operate a free LNS Clothes Closet that is open to students, families and community members. The need is great and community support is crucial. As a Business Partner you can help further support not only our school, but our community as well. We hope we can count on your support with our goals. Thank you for your dedication to our community and your continued support of Laurel Nokomis School!

The 2022-2023 LNS Sponsorship Form is attached and includes several levels of sponsorship opportunities available for your consideration. We have included benefits to recognize your contributions and to demonstrate our appreciation for your critical support. Business partners can update and complete the business partnership application by completing and mailing in the attached application or they can apply online at the LNS PTO Web Page ([Inspto.digitalpto.com](https://inspto.digitalpto.com)) and can direct any questions to [laurelnokomisdonation@gmail.com](mailto:laurelnokomisdonation@gmail.com). The LNS PTO is a nonprofit and you may be eligible to claim a tax deduction for your contribution (please discuss with your tax advisor).

Warm Regards,

*Mary Wescoat*
