

Dear Laurel Nokomis School Supporters:

As we enter another school year we are very thankful for the continued commitment and support from our community. Business partners are individuals, families, organizations, and businesses in our community like you. We hope that you will consider becoming an LNS Business or Family Sponsor for the 2023-2024 School Year.

LNS remains committed to providing a high quality education tailored to the needs of our students. The focus continues to be on academics, keeping our students focused and accountable for achieving goals, improved grades, excellent attendance, stellar behavior, and a general focus on being good community citizens. According to the Niche report, LNS remains in the top 2% of schools for students. Last school year, the support of our business partners helped us to earn another Florida Department of Education "A" school rating. In addition, we have programs that are focused on middle school career development, recognizing elementary students that are excelling and helping students that are at risk. We have regular classrooms, gifted classrooms, and classrooms that are geared towards helping students with Intellectual Disabilities and Autism. Over 44% of the students at the school get free or reduced priced lunch and have some students that are unable to meet their most basic needs. Your sponsorship dollars help us to operate a free LNS Clothes Closet that is open to students, families, and community members. The need is great and community support is crucial. As a Business Partner you can help further support not only our school, but our community as well. We hope we can count on your support with our goals this year. Thank you for your dedication to our community and your continued support of Laurel Nokomis School!

We are eager to showcase your business in multiple ways. Each level of sponsorship has its perks and we are happy to customize any package for you. We offer many opportunities for our business partners to sponsor events or items for our events exclusively for an additional fee.

The 2023-2024 LNS Sponsorship Form is attached and includes several levels of sponsorship opportunities available for your consideration. We have included benefits to recognize your contributions and to demonstrate our appreciation for your critical support. Business partners can update and complete the business partnership application by completing and mailing in the attached application or they can apply online at the LNS PTO Web Page linspto.com and can direct any questions to laurelnokomisdonation@gmail.com. The LNS PTO is a nonprofit and you may be eligible to claim a tax deduction for your contribution (please discuss with your tax advisor).

Warm Regards,

Mary Wescoat

Vice President of Business Partnerships, Laurel Nokomis School PTO
